60-SECOND RADIO SPOT

Scene: 1

NARRATOR

Tuesday, on an all new LOST... JACK asks questions and doesn't get answers.

JACK

Who are you?

MYSTERIOUS MAN

You're not ready to know that yet.

JACK

Why not?

MYSTERIOUS MAN

Because she hasn't spoken your name.

JACK

What? Who hasn't spoken my name?

MYSTERIOUS MAN

Someone who has been expecting you.

JACK

I don't understand.

MYSTERIOUS MAN

That's because you're not ready to understand it.

JACK

Oh yeah? Well, when will I be ready?

MYSTERIOUS MAN

You need to come with me. You're in serious danger, Jack.

JACK

Oh really? Why is that?

MYSTERIOUS MAN

Because once he opens The Cube, he won't be able to close it.

JACK

The Cube? What Cube? And who the hell are you talking about?

(CONTINUED)

MYSTERIOUS MAN

Your twin brother.

JACK

I don't have a twin brother!

MYSTERIOUS MAN

Not yet, you don't.

JACK

Look pal, I'm not going anywhere until you give me some answers!

MYSTERIOUS MAN

I'm sorry, Jack, but I can't.

JACK

That's ridiculous. Why not?

MYSTERIOUS MAN

Because it's my job to keep you in suspense.

JACK

Who ARE you?

MYSTERIOUS MAN

The Screenwriter.

JACK

That doesn't make any sense.

SOUND: AIRPLANE ENGINE TRANSITION

MYSTERIOUS MAN

Sorry, Jack. Time for a flashback.

JACK

Now hold on a minute! Answer my god damned--

SOUND: SLAM!
